Hi Peter,

My name is [REDACTED]. I'm an Asst District Attorney working out of the Wrentham District Court. I have a drug case that is on for Compliance and Election soon. The defendant is [REDACTED]. The docket number is [REDACTED]. The lab drug analysis numbers done are [REDACTED]. Defense counsel has faxed our office a motion for discovery involving the drug analysis done on this case.

The information sought is the following:

- 1.) A copy of any lab notes related to the drug processing and analysis
- 2.) An ID of test procedures used
- 3.) Any information concerning the chain of custody of the substances tested

In addition, I would greatly appreciate it if you forwarded to me a copy of your CV and any assistant chemists who helped you in testing the substances involved at your earliest convenience. I noticed that Annie Dookhan also tests these substances, I was wondering if she still works at your office?

Thank you for your assistance on this case. I will let you know if the court orders us to provide any of the other information on this case.

Thank you!
